Chris TA Evaluation.xlsx;

Dear Chris –

Attached please find an excel spreadsheet with you TA evaluation results.

Your evaluations are truly excellent!

The table below shows the average response from students (1 = strongly disagree, 5 = strongly agree). Your results are high, and the qualitative responses from students buttress the quantitative results.

This is fantastic, Chris. As always, I LOVE working with you and hope you'll come back again next year.

All the best,

Tina
